### **Press Release**

The Fort la Bosse School Division's Board of Trustees is inviting community members of the Reston area to a meeting on July 13, 2006 at 7:30 pm to be held at Reston Elementary School. The purpose of the meeting is to share the options and opportunities the Public Schools Finance Board (PSFB) has given us for the direction of the Reston Elementary School Capital Project.

As the Reston Elementary School Capital Project moved through the tendering process this spring, it came in significantly over budget. As well, the Public Schools Finance Board was dismantled in late May and reformed with three Deputy Ministers sitting as its Board. As a result, several projects across the province were reevaluated. In the end, more options were offered to the Fort la Bosse than previously entertained.

The Fort la Bosse Board of Trustees feels it imperative to share these with the community as soon as possible. Please join us at Reston Elementary School on Thursday, July 13, 2006 at 7:30pm.

Respectfully submitted by,  
Jaelyn Evaschesen  
Superintendent of Schools
