The implementation and administration of the Tobacco Free Schools Policy will be as follows:

1. No one (student, employee, guest, visitor, facility user, or member of the public) will be permitted to smoke or use any tobacco product in any Division building at any time;
2. No smoking or use of tobacco products will be permitted in any Division vehicle at any time;
3. The surrounding grounds of all Division property sites will be free from the use of tobacco products subject only to certain after-hours, local considerations;
4. Individuals attending duly authorized activities scheduled for the after-hours at Division schools and other buildings may smoke on the grounds at a site(s) specifically designated by the site Administrator;
5. Students and employees on extended trips may smoke only in designated interior smoking areas or at appropriate locations outside the building(s) at the site(s) where they are located.
6. Division Administrators and School Principals will be responsible for the implementation of this policy;
7. All in-school employees will share in the ongoing administration of this policy;
8. All "Use of School" forms should include reference to this policy; and
9. Students or staff who violate this policy will be subject to appropriate disciplinary measures.
