The magnitude of School Board membership calls for knowledge of, and orientation to, many areas of information and understanding. Under the guidance of experienced Board members, the Superintendent, the Secretary-Treasurer and the Supervisor of Operations, insight to these areas will be provided. As well, new Board members are encouraged to attend a New Board Member orientation workshop conducted by the Manitoba School Boards Association.

New Board Trustees should also review Board Policies, plus any other available handbooks and support documents, so as to develop a better understanding of, and greater appreciation for, the purpose and process involved in Trusteeship.
