Community groups or individuals authorized to use school facilities may use Division-owned materials and equipment on the school premises, if proper application has been filed with the Division Office.

The Principal of the school will schedule times and make certain that all persons using the equipment in the school are aware of the proper use and care of the equipment.

All equipment loan forms must be sent to the appropriate Senior Administrator at the Division Office.

Custodians may be requested to supervise the removal and return of such equipment during working hours.
