Decisions pertaining to the construction of educational facilities will be made only after considering the viewpoints and needs of students, teachers, parents and other taxpayers.

The Board will periodically review the facilities within the Division. The review will be in terms of both present and future needs in order to provide adequate accommodation and facilities for the education of students within the Division and consistent with capital plan requirements of the Public Schools Finance Board

The administration, representative committees, and/or the Board will prepare such documents as are necessary for the Board to make wise and judicious decisions for its long range planning of school needs.
