The Board will accept voluntary help to teachers if it is acceptable to the Superintendent and the Principal of the school concerned. It is to be clearly understood that such help is to be totally on a voluntary basis.

It is left to each school to provide regulations regarding school volunteers.

Some schools may initiate School Volunteer programs to aid with in school and after school activities. School volunteers may also be requested to act as chaperones for school events.

Any volunteer that will be expected to be in direct contact with students may be required to submit completed forms for a Child Abuse and/or Criminal Registry reference check. (Forms **GBJA-E-1** and **GBJA-E-2**)
