The following regulations will provide a base for the expectations of students while on school buses.

1. Bus drivers must maintain good student conduct on the bus at all times.
2. Students must follow the Division Bus rules posted in each bus.
3. The driver may assign seats to the students.
4. No person will be allowed to smoke, or either use or carry other drugs or alcohol on a school bus.
5. Students dismissed from school are to board buses directly and are not permitted to leave the bus loading area between dismissal and boarding.
6. Any student damage on the bus must be reported to the School Principal immediately. The Principal will investigate and take steps to have the cost of repairs covered by student(s) responsible for the damage.
7. If any student(s) is suspended from attending school for inappropriate bus conduct, the Principal will inform the Supervisor of Operations, or designate and the bus driver involved as to the day(s) of the suspension.
