Resolution # - 113/98

Implementation - 13/04/98

Legal Reference -

Last Reviewed - 15/05/12

Near the beginning of the fall term, each student will be given the opportunity to purchase accident insurance through a carrier approved by the Board.

The program will be offered on a non-compulsory basis.

Should injury be sustained to an insured student, the onus will be on the family to obtain an accident claim form and submit a claim.
