Outside organizations will not be permitted to advertise events through schools or use the children to sell tickets, except for those activities that are jointly school sponsored and/or school approved.

All charity organizations given permission by the Board to work through and/or in conjunction with the students on charity appeals or fund raising activities must go through the proper school authority and Division channels.

Any effort contributed by the students in the Division to raise funds for partial or complete contribution of a donation to the school will be shown the full appreciation of the Board.
