

# FORT LA BOSSE S.D. # 41

TITLE - **SHOP FEES FOR POWER MECHANICS\***

POLICY - **IMIA\***

Approval Date - 11/02/02

Cross Reference - **DFF**

Resolution # - 51/02

Implementation - 11/02/02

Legal Reference -

Subject to certain conditions and overall program requirements, the power mechanics program will take work in on a cost plus recovery basis.

The total cost charged to the “customer(s)” will not be greater than that required to offset the cost of the items that are purchased for the task performed, plus an assigned service charge.

No charge for student labour will be included in the customer’s billing.

The Principal of all the school(s) in Fort La Bosse School Division in which power mechanics shops operate will annually submit a statement(s) of expenditures and receipts from the shop's sales, services and fund-raising activities to the Secretary Treasurer. The statement(s) submitted must conform to the expectations of the Board’s financial officer(s) and designated auditor and be submitted as requested by the Secretary Treasurer.
