Permission for Placement Outside Regular Class

I/We, _____

Parents/guardians of _____ D.O.B. _____
(month/day/year)

Have met with the above student's educational programming team and give permission for his/her placement outside of the regular class as discussed for the following curriculum areas:

_____	_____
_____	_____
_____	_____

Alternate placement proposed: _____

Percentage of time spent outside of regular class placement: _____

We believe that this placement is in the best interests of the student and is designed to maximize his/her learning potential. The program will be documented on either a Modified Educational Plan or an Individual Educational Plan. Progress will be reported to us on a regular basis at regularly scheduled reporting periods, and we will be involved in the revision of the plans at least once a year.

We recognize that this decision may limit social interaction opportunities with classmates and affect the student's options in terms of future study and vocational choices.
