All students registered in Fort La Bosse School Division schools where a band program is offered will be eligible for enrolment in the band program.

Enrolment in the band program will take place at the commencement of the fall term.

In view of the cost of instrument rental, students will be allowed a trial period not exceeding five weeks before making a definite commitment to the band program.

Students continuing in the band program beyond the specified trial period will be expected to remain in that program for the duration of the school year concerned. Requests for withdrawal will be considered only under extreme conditions.
