

Dear Grade 1 Families,

May 17, 2022

We are ordering school supplies for next year before the end of this school year to ensure that everything is here and ready to go for September. Supply fees are \$30 for the 2022/2023 school year. This amount is significantly less than other classrooms simply being that this years Kindergarten class has money leftover from the current school years supply fund. This money will be carried forward and put towards next years school supplies, thus lowering the school supply fee. This **\$30** fee will cover the cost of supplies that we will order for your child throughout the year. You can etransfer the supply fee to smalcolm@flbsd.mb.ca or cash/cheque to the school with your child. **(Please be sure to include your child's name, along with "school supply fee" in your etransfer memo).** The supplies that you need to send with your child in September are listed below. All supplies must be labelled with your child's name at home and sent in a large labelled freezer bag on the first day of school. Please ensure that your child's name is on every item.

The \$30 supply fee is due no later than Friday, June 3rd.

Thank you! 😊

Mrs. Stonehouse
