

Dear Grade 2/3 Families,

We are ordering school supplies for next year before the end of the school year to ensure that everything is here and ready to go for September. Supply fees are \$50 for the 2022/2023 school year. The **\$50** will cover the cost of supplies that we will order for your child throughout the year. You can e-transfer the supply fee or send the money to the school with your child. **(Please be sure to include your child's name and school supply fee in your e-transfer memo).** The supplies that you will need to send with your child in September are listed below. All supplies must be labelled with your child's name at home and sent in a large labelled freezer bag on the first day of school. Please ensure that your child's name is on every item.

**The \$50 supply fee is due no later than June 03.**

Thank you 😊

Mrs. Canart
