

May 17, 2022

Dear Grade 4/5 Families of 2022/2023,

It's that time of year when planning is in the works for next year! For school supplies we ask that \$60 be sent to the school to cover the cost for your Grade 4/5 child's supplies for the 2022/2023 school year. Payments can be made by e-transfers to [smalcolm@flbsd.mb.ca](mailto:smalcolm@flbsd.mb.ca) or cash/cheque can be sent to the school no later than June 3. If you are sending an e-transfer please write your child's name and supply money in the memo as we have people sending e-transfers for many things in June.

This money will be used to purchase school supplies and Kleenex that your child will use at school. In addition to the supplies being purchased, each student will need to bring their own pencil case and headphones. If you have some from a previous year, that will be just fine. I will be purchasing markers and pencil crayons for class time use. If your child prefers to draw during times such as indoor recess, I ask that your child bring their own set of pencil crayons, markers, or crayons to use during that time in a separate pencil case. Please label these items so they do not get mixed up. Each student will also need a water bottle and indoor running shoes that can be put on independently.

I look forward to returning to Elkhorn School in September as the Grade 4/5 classroom teacher! If you have any questions, please send an email to [choward@flbsd.mb.ca](mailto:choward@flbsd.mb.ca) and I will get back to you as soon as possible.

Ms. Howard
