Dear Mary Montgomery School Families,

The school will once again buy basic items such as scissors, rulers, extra pencils, erasers, extra notebooks, glue and more. We are asking for \$10.00 per student to help cover the cost of these items. We are also asking for \$10.00 per student for student fees. One dollar of this fee is provided to our Parent Advisory Council. The remaining money will be used to purchase specific art supplies to be used throughout the year.
