Dear Students and Families:

I haven't had the opportunity to meet all of you, but I thought I would send you a note along with the supply list for the next year. I am already thinking and planning for the 22-23 school year; a very important year for these students. I feel it is my responsibility to prepare you all for the High School experience, and I will do my best to do so.

Please use this list above as you gather supplies for the next year.

I need to make you aware of a few fees that the students need to pay in the fall. One is a **\$25 student fee**, and the other is a **\$50 instrument rental fee**.

I look forward to teaching, coaching, mentoring, and learning with all of you. I truly hope your upcoming year will be one to remember. We will see each other soon.

Sincerely,
Mr. Korol
